

## Special Announcement:

- All registrants are being entered into a draw for a t-shirt, signed by J. J. Okocha.
- Please also note that following funding that we have received, we are able to offer some cash back incentives for those travelling to attend the conference in Hull. The first 80 registrants travelling to Hull are entitled to a refund on travel expenses as follows:
  - Those studying in London, the West Midlands, the East coast and North east England, (including Yorkshire, the East midlands and the home counties, Hertfordshire, Buckinghamshire, Bedfordshire, Essex, Kent, Sussex, Surrey etc) are entitled to a 10 pound refund;
  - Those studying in the Northwest and Southwest England (Lancashire, Cumbria, Merseyside and Greater Manchester) are entitled to a 15 Pound refund;
  - Those in Wales and Scotland are entitled to a 20 pound refund.
- To qualify, you need to produce your NUS registration card and proof of travel. Such proof could be a train or coach ticket, or petrol receipt. So, if you are driving four other people to the conference, so long as each person in the car has their NUS card, and can prove that you all travelled together, you will be entitled to a refund as stipulated.
- If there are several of you travelling from one location, it may make sense to hire a coach. In that case, all passengers on that coach will get the amount stipulated, towards the cost of your travel.
- XN Foundation is inviting offers from universities to host ICONS2009. Please contact the Executive Secretary.
- Any university hosting ICONS2009 is advised to send delegates to Hull for ICONS2008, in order to see what the conference is about.
